- Consent application processed View the report for all the processed application
- Bulk transfer completed/pending Transfer file to another user

CONSENT MANAGEMENT STEPS?

- First click on the Application Id, file noting/action on Consent file will be activated
- Officer can perform below mentioned activities
 - 1. View Note History
 - 2 View Form
 - 3. Prepare certificate
 - 4. View Granted Certificate
 - 5. View Upload Certificate

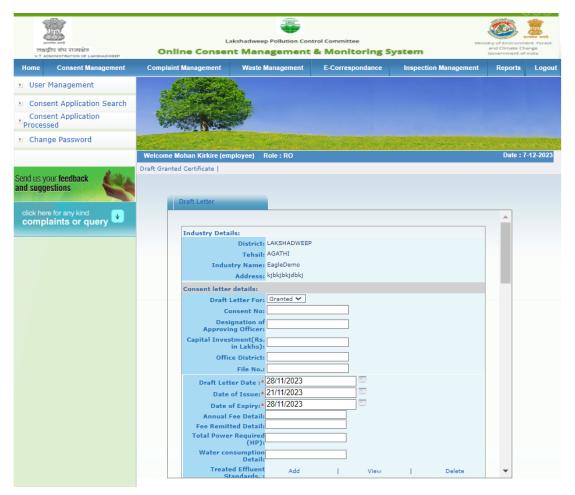

CONSENT MANAGEMENT PROCESS

- ❖ Application should be scrutinized thoroughly. The details entered shall be cross checked with accompanying documents/previous file. Keep handy the list of documents required for CTE/CTO (new, renew, expansion)
- ❖ If the application is complete in all respects, the "Scrutiny Status" shall be set as "Complete". On setting scrutiny status as complete the industry will receive the receipt for submission of online application.
- ❖ If any field in the application is required to be filled in or if documents need to be attached select "Incomplete" for scrutiny status and the application will be returned to the industry account. The details of defects noticed while scrutiny shall be entered in "scrutiny description".
- * The file shall not be forwarded to superior Officer unless the scrutiny status is set as complete. If file is closed without setting scrutiny status as complete, the industry will not be able to submit further applications.

HOW TO GENERATE CERTIFICATE?

- Select <u>prepare certificate</u> link
- Prepare certificate form will be activated with questionnaires and custom file
- Once click on the <u>Generate certificate</u> button, Draft consent certificate will be generated with pdf
